Goal shemakes Ambassadors:

Shemakes Ambassadors believe in equality and collaboration, and wish to contribute actively to empowering and inspiring women. The chosen ambassadors, who have already participated in a shemakes activity offered by one of our labs, will travel to one of our 12 new labs worldwide, where they will broaden their horizons through a new experience. They will share knowledge and inspiration as well as help transfer shemakes values, learnings and services to this new environment. This call is an excellent opportunity to join our community of women innovators who are transforming the fashion, textile and clothing sector.
